NOTES.

The rank held in the Volunteer Force of the Army during the War of the Rebellion by Companions then and since in the U. S. Army, Navy, and Marine Corps is given in roman type and parentheses.

The rank which Companions would have held in said Volunteer Force by virtue of Commissions issued by State Authorities had not muster therinto been prohibited by the Act of Congress of March 3, 1863—because of reduction of the Organizations in which commissioned "below the minimum number allowed by law," through casualties of service—is given with "*n. m.*" (*i. e., not mustered*) subjoined.

Temporary increased rank in sundry Staff Corps of said Volunteer Force under "Assignment" was authorized by Acts of Congress of July 17, 1862, July 4, 1864, February 25 and March 3, 1865.

The rank, etc., held in the Volunteer Force of the Spanish-American War and Philippine Insurrection is also given parenthetically but in *italics*.

The rank of Companions in the Staff Corps of the Navy is given in parentheses after their Titles.

The rank given of Companions in the U. S. Army, Navy, and Marine Corps, transferred to other Commanderies, is that held at the time of transfer.

"Acting" prefixed to the Titles of certain Companions signifies that they were Officers of the Volunteer Force of the Navy during the War of the Rebellion, by Appointment under the Act of July 24, 1861.
